

SECTION 1 MANAGEMET INVOLVEMENT

MISSION STATEMENT

Jenn Trucking Ltd. was established in 1994 primarily focused in the oil and gas industry as a transportation company. **Jenn Trucking Ltd.** is and will continue to be a leader in providing superior service for the Oilfield Transportation Industry. We achieve this by retaining the highest caliber people, maintaining a safe work environment, providing consistent value to our customers, while guaranteeing environmental stewardship and integrity.

Jenn Trucking Ltd. has established specific goals. They are:

- To conduct a growing, profitable and ethical oilfield transportation business
- To maintain our leadership in all areas of service, methods and progress
- To build public confidence and continuing friendly relationship for our services through sound business practices, effective selling, and personal contacts
- To provide good jobs, working conditions, wages and opportunities in exchange for loyalty, initiative, skill, care and effort
- To adapt company services, facilities and policies to meet our civic and economic responsibilities.

Jenn Trucking Ltd. will foster customer loyalty by presenting a united front to achieve and surpass our customer's expectations, as well as meeting our own goal of excellence in the Oilfield Transportation industry.
